## REPORT MENACING FOREST AND GRASS FIRES

### DRASTIC ACTION MAY BE TAKEN TO CONTROL THEM

GOV. CHRISTIANSON AND STATE  
FORESTER CONZET INSPECT  
AREA

FIRES IN LAKE, ST. LOUIS AND  
HUBBARD COUNTIES  
REPORTED

(By United Press)  
St. Paul, May 13.—Drastic action may be taken by Minnesota officials to bring under control the menacing forest and grass fires now reported in the northern part of the state.

This was indicated by the announcement from the state forestry office of arrest of 30 men in various parts of the northern woods charged with setting the blazes. An emergency order banning sportsmen from the region also is considered, it was said.

Governor Theodore Christianson and G. M. Conzet, state forester, left here by automobile this afternoon for a personal inspection.

Instructions to enforce the fire fighting conscription where necessary were considered by Conzet.

The fires which have for several days been burning over scattered areas in Lake, St. Louis and Hubbard counties continued unabated Tuesday night and this morning, Conzet said.

Many of the fires were under control, but two in the Beaver River country north of Duluth late Tuesday broke bounds and attacked several miles of new territory. One is near Beaver Bay and the other near Glen Avon.

Fires also were being battled at Noisy Curve, Marble Lake, Gooseberry and Lakewood.

High winds are predicted for tomorrow and Conzet fears this may add to the difficulty of controlling the fires which already have destroyed much young timber. No rain has fallen in this section lately to aid the fire fighters. The men under arrest charged with negligence in starting fires are mostly trout fishermen. Some, however, are residents of the district. Many of those arrested have been fined while others still are held in jail, he said.

### BUS RULE FAVORED BY CONDUCTORS

RAILWAY ORDER TO ADVOCATE  
REGULATORY LAWS AT  
CONVENTION

St. Paul, May 13.—The Order of Railway Conductors is expected to advocate bus regulatory legislation before every legislature in the country.

The question will come before the convention of the order in Minneapolis within a day or two, Pres. L. H. Sheppard said today.

Passage of resolutions favoring bus regulatory laws similar to those adopted in Minnesota is certain, he said.

"We have traced the decline in the number of conductors to the fact that local trains are being taken off because of bus competition.

"The conductors feel that these busses should be compelled to pay taxes for the use of the public highways and should be operated under a supervision as strict as that exercised over the railroads."

The Minneapolis branch of the Brotherhood of Firemen and Engineers will give a dance tonight for conductors in the Twin Cities for their national convention. The dance will be given in the Eagles' hall, 119 4th st. se., Minneapolis.

### CHARGED WITH PETTY THEFTS

(By United Press)  
St. Paul, May 13.—John Murphy, Buffalo, N. Y., was arrested last night in connection with the theft of clothing from employees' lockers in the Union Station here. He is being held at Central station pending arraignment.

## Federal Aid to Pave Brainerd Road Is Approved

### BOOTLEGGERS' INSURANCE SYNDICATE

(By United Press)  
St. Paul, May 13.—Investigations directed at an alleged bootleggers' insurance syndicate are indicated as the result of the dismissal of O. T. Sunde, federal agent and former sheriff of Renneville county, Sunde was dismissed by S. V. Qvale, state prohibition director, who announced intention of breaking the syndicate.

### FIRST BODY OF VICTIM, RIVER DISASTER, FOUND

CAME TO SURFACE FROM  
SUNKEN STEAMER  
NORMAN

NEWS IS WIRELESSED FROM  
SCENE OF THE  
TRAGEDY

(By United Press)  
Memphis, Tenn., May 13.—The first body of a victim of the sunken steamer Norman recovered since the night of the accident came to the surface near the scene of the disaster today, according to a wireless message. It was the body of Earl Simonson, Memphis engineer of the Norman.

Twenty bodies are still hidden in the Mississippi where the vessel sank. It was believed many of them would be recovered before night.

### LOANING MONEY TO EUROPE CRITICIZED

SENATOR SHIPSTEAD SAYS IT  
AIDS NATIONS TO ARM  
FOR WAR

(By United Press)  
Minneapolis, May 13.—The United States by loaning European nations great sums of money has been indirectly at least aiding these nations in arming themselves for war, Senator Henrik Shipstead declared here today.

"I have been opposed to our tremendous loans to European nations because they have been spending large sums for armament," Shipstead said.

### FUNERAL SERVICES FOR C. A. SEVERANCE

HELD LATE YESTERDAY AFTER-  
NOON IN ST.  
PAUL

(By United Press)  
St. Paul, May 13.—Funeral services for the late C. A. Severance, prominent attorney, were held here yesterday afternoon. Over 500 persons paid their last respects at the service. Among them were Secretary of State Kellogg, his former law partner, Governor Christianson and Mayor Arthur Nelson of St. Paul.

### BANKERS OF TWO STATES SIZE UP CONFIDENCE MEN

(By United Press)  
Chicago, May 13.—Bankers of Illinois and Milwaukee were due here today to scrutinize Joseph W. Weil, noted confidence man, Jimmy Head, a gunman and two others to determine whether they are the men who looted numerous banks of approximately \$2,000,000 during the past two years.

Weil was the last of the quartet arrested. Detectives found him singing to a pair of young lady companions in a fashionable north side hotel.

### SMALLPOX IN MILWAUKEE IS ALARMING

18 NEW CASES REPORTED BRING  
THE TOTAL UP  
TO 115

CLAIMED 200,000 MILWAUKEE  
PEOPLE NOT VAC-  
CINATED

(By United Press)  
Milwaukee, May 13.—With 18 new cases of smallpox reported, bringing the total number to 115, together with who more deaths from the disease, Health Commissioner Dr. J. B. Kohler declared today the situation is alarming and growing more serious every day.

While the city has established three vaccination stations in every section, Dr. Kohler reported these stations showed a falling off in the number seeking inoculation. He estimated there were more than 200,000 persons who have not been vaccinated. He declared today that unless vaccinations run about 10,000 a day for the next two weeks, there will be a serious epidemic of the disease in Milwaukee this summer.

### CLOSES EVANGELISTIC CAMPAIGN IN AITKIN

Aitkin, Minn., May 13.—About four hundred people listened to Evangelist Anderson, in the Aitkin Armory last Sunday night as he talked on "The Lost Christ." This ends the evangelistic campaign that has been carried on for the past three weeks in Aitkin—the third week resulting from the urgent invitation given to Mr. Anderson to remain that much longer.

Over sixty people have definitely decided to become Christians as a result of Mr. Anderson's messages, and the inspiration that he has given the community cannot be measured.

On Monday and Tuesday nights meetings were held in the Spencer school house about five miles from Aitkin, and on Sunday, 2:30 P. M. Mr. Anderson commences an evangelistic campaign in Deerwood. Services will be held at the Albert's store at Deerwood every evening at 8 o'clock.

Following this campaign, Mr. Anderson may accept invitations to Crosby and other nearby communities where the people are anxiously awaiting his coming.

### LAST DAY TODAY TO FILE YOUR BUS APPLICATION

(By United Press)  
St. Paul, May 13.—Today, the last day for filing application for operating motor buses in the state, brought over 50 applications for permits into the office of the state railroad and warehouse commission. Dates for hearing on the application will be fixed later in the week. These hearings must be had after proper notice has been given to various local authorities.

### TRAFFIC ACCIDENTS INJURE 8 PEOPLE IN TWIN CITIES

(By United Press)  
Minneapolis, May 13.—Traffic accidents injured eight persons in the Twin Cities yesterday. One was seriously hurt. Charles Benson suffered a possible skull fracture when he fell from a truck here.

### SMALLPOX REPORTED IN CAPITAL CITY

(By United Press)  
St. Paul, May 13.—The sixth case of smallpox was reported by health officers today. In addition, one case of confluent smallpox in a dangerous degree was reported by Dr. B. F. Simon, chief health officer.

### AMY LOWELL, AMY CRITIC, DIED IN BOSTON

(By United Press)  
Brookline, Mass., May 13.—Amy Lowell, long outstanding exponent of poetry and noted for her essays and literature criticism, is dead at her home here at the age of 51. The end came suddenly late yesterday as the result of a stroke following a month's illness which had forced cancellation of a proposed lecture tour in Europe.

Funeral services will be private and will be conducted from the Lowell home here. The date has not been set.

### HEAD OF TWO "STENE" BANKS NOW IN JAIL

63-YEAR-OLD ATWATER BANKER  
AWAITS ARRAIGN-  
MENT

CHARGED WITH FORGING AND  
FALSIFYING STATE-  
MENTS

(By United Press)  
Olivia, Minn., May 13.—Henry Stene, 63-year-old Atwater banker is awaiting arraignment in jail here on charges of forging and falsifying statements preferred by depositors of two "Stene" banks after the former bank head had obtained two \$5,000 bonds for similar charges previously filed.

The two new warrants were served by Sheriff Bonde to forestall attempts of Stene to obtain freedom on bail before the state banking authorities had investigated the \$380,000 shortages in the First National Bank at Atwater and the Farmers State Bank at Kandiyohi.

When arraigned yesterday on the first two charges, Judge C. E. Qvale bound him over to await grand jury action at the next term of District Court. Bonds were set at \$5,000 on each count. After submitting bond schedules, Sheriff Bonde served the latter warrants.

### FRANCE FAVORS RETAINING THE VERSAILLES PACT

WANTS NO CHANGE IN HER PRES-  
ENT EASTERN  
FRONTIER

FRENCH NOTE BEING TRANS-  
MITTED TO THE  
ALLIES

(By United Press)  
Paris, May 13.—France will accept no substitution for the Versailles treaty and no change in her present eastern frontier, a note which the Poincare government proposes to dispatch to Germany in reply to the latter's suggestion regarding a security pact, is understood to state.

The French note was sent to London today for consideration by the British government and will be submitted to the other allies before it is transmitted to Berlin.

In some official circles, it was said, France proposes indirectly that a condition to the security pact must be Germany's entry into the League of Nations. The note is courteous in tone and imposes no direct condition upon Germany either before negotiations start or before the proposed pact is signed.

### MONSIGNOR AHERN IS CRITICALLY ILL

Rochester, May 13.—Monsignor Charles A. Ahern, 43, rector of the American college at Rome and prominent member of the Catholic hierarchy is critically ill at St. Mary's hospital here.

### GRADING IS TO START THIS FALL, SAYS BABCOCK

PAVING MAY BE DONE DURING  
THE NEXT SUM-  
MER

ENGINEERS NOW AT WORK MAK-  
ING NECESSARY  
SURVEYS

The Dispatch reproduces this article from the Little Falls Daily Transcript, which was given wide prominence in its Tuesday issue:

Morrison county has been approved for federal aid road building by the Department of Agriculture totaling an estimated cost of \$762,000 between Little Falls and Brainerd, according to a message received by The Transcript this morning. The information was authentic and came direct from Washington.

Upon receipt of this information The Transcript immediately got in touch with Chas. M. Babcock at St. Paul, state highway commissioner, to learn the highway department's plans for this project. Mr. Babcock stated that engineers are now at work making surveys for the proposed road improvement and that it will be necessary to secure quite a bit of new right-of-way between the two cities before the grading can be advertised for. The proposed road will follow the present road bed at various places along the route but at several others an entirely new right-of-way will be secured in order to straighten out the road and keep it entirely on the west side of the railway tracks. The new road will not cross the tracks anywhere between this city and the Crow Wing county seat.

The department will get the preliminary work completed as soon as possible, Mr. Babcock said, so that bids on the grading may be opened late this summer and part of the grading done this fall. If state highway funds, which must be used together with the federal aid money, are available for the purpose it is the hope of the department to pave the road next year but whether or not this will be possible in 1926 is still in doubt.

The state highway department last year assisted Morrison county in the expense of grading and graveling county road No. 4 from a point just south of Belle Prairie through Freedom to the Crow Wing county line, there joining a first class gravelled road into Brainerd. This was done so that this road could be used as a detour during the time the work is being done on the new route to Brainerd.

The necessity of continuing the paving of trunk highway No. 27 from Belle Prairie into Brainerd has been apparent to the highway department as well as local motorists and tourists for several years, inasmuch as it is one of the main arteries through the state and the traffic over the route, especially during the tourist season, is enormous. The greater portion of the tourists from southern Minnesota and other states travel from Little Falls to Brainerd enroute to the numerous lakes in northern Minnesota. Had the road bond issue been approved by the last legislature it is more than likely that this piece of trunk highway would have been paved this year but since the department's funds are considerably curtailed this year the paving cannot be hoped for at least another 12-months' period.

An interesting fact in connection with the improvement of the Little Falls-Brainerd road is that this road was one of the first in this part of the state and in the early history of this part of the northwest Ft. Gary (now the city of Winnipeg) Canada, received all its mail over this road from the fort which was then located on the west bank of the Mississippi river opposite the present village of Ft. Ripley. Since this has been the principal artery of travel northward from this city for so many years and carries such a heavy traffic it is only

### SECRET SERVICE VETERAN IS A REGULAR SLEUTH

(By United Press)  
Minneapolis, May 13.—Captain Thomas Porter, 79 years old, a veteran of 40 years in the United States secret service circles, detailed in federal court yesterday roles he assumed to bring about the arrest of Clyde Smith and Mrs. Ch. B. B. on charges of attempted sale of altered Liberty bonds.

### GREAT NORTHERN BUYS 4 ELECTRIC LOCOMOTIVES

TO BE USED IN SERVICE  
THROUGH CASCADE  
MOUNTAINS

COST OF NEW EQUIPMENT RUNS  
OVER HALF  
MILLION

(By United Press)  
St. Paul, May 13.—An order for four electric locomotives to be used through the Cascade Mountains has been placed by the Great Northern railway, it was announced here.

Cost of the new equipment which is to be built by the Westinghouse Electric Company at Pittsburgh is to be \$530,000.

The new locomotives are to be used in hauling both freight and passenger trains between Washington and the Cascade tunnel, a distance of approximately 24 miles. Trains have been moved through the tunnel by electricity since 1909, but electrification of additional mileage will add materially to the convenience and economy of operation, officials of the road said.

### HEAVY RAIN FLOODS SEWERS

KANSAS CITY, MO., VISITED BY  
SEVERE ELECTRICAL  
STORM

(By United Press)  
Kansas City, May 13.—Streets and basements were flooded and sewers broke in several places in the downtown district following a heavy rain and electrical storm here early today. Streets were littered with rubbish swept along by miniature rivers, hampering streetcar travel during the early rush hours.

### BABY FARM IS INVESTIGATED

CHARGED OWNER ALSO SOLD  
CEMETERY PLOTS TO BE-  
REAVED MOTHERS

(By United Press)  
New York, May 13.—Charges that Mrs. Helen Geizen-Zolk augmented the profits from her baby farm by selling cemetery plots to the mothers of infants who died while under her care are being investigated today by Assistant District Attorney Ryan. This inquiry was started after Mrs. Margaret Toohy had told Ryan that following the mysterious death of her 18-months-old daughter Agnes at the Infantorium on December 15th, Mrs. Zolk sold her a private lot in St. Michael's cemetery for \$655. Through her attorney, Mrs. Zolk flatly denied allegations made against her, saying they were inspired by spite and malice. She is held under \$25,000 bonds pending the outcome of the series of investigations now in progress.

logical that it be hard surfaced at the first opportunity and the highway department has apparently been shaping its plans to that end for some time.

### FOUND GUILTY POISONING MOTHER, AUNT AND UNCLE

JURY AT MEDINA, OHIO, REPORTS  
AND RECOMMENDS  
MERCY

MRS. MARTHA WISE CONFESSES  
TO POISONING DRINKING  
WATER

(By United Press)  
Medina, O., May 13.—Mrs. Martha Wise today was found guilty of first degree murder in connection with the fatal poisoning of her mother, aunt and uncle. The jury reported shortly before noon, recommending mercy.

Mrs. Wise was indicted following a confession in which she said she poisoned the drinking water in the homes of 14 relatives. Her only explanation was that "the devil made me do it." The defense was insanity. Prosecuting witnesses, however, testified Mrs. Wise wanted to get her mother out of the way because she was opposing the poison widow's marriage to the man she loved.

The poisoning of the aunt and uncle was born, it was declared, of Mrs. Wise's belief they suspected her in her mother's death.

Mrs. Wise received the verdict stoically. A few sobs escaped as the foreman pronounced the word guilty the first time, but she soon recovered her composure. Under the mercy recommendation, the court is bound to sentence Mrs. Wise to a life term in Marysville Reformatory.

### REBELS ATTACK FILM PRODUCERS

INDEPENDENTS WOULD COMPEL  
BIG FELLOWS TO GIVE  
UP THEATERS

Milwaukee, May 13.—In a battle, which, they term, is for survival, independent producers and theater-owners, in convention here today, expect to take steps in a move to compel the Famous Players-Lasky, Metro-Goldwyn and First National film-making corporations to cease purchasing new theaters and give up those they already have.

Their plan, as indicated following a conference last night, is to select some dictator for the independent groups who shall "out-Hays" Will Hays, czar of the movies.

The formal plan is to be presented at the opening of the motion picture theater owners' convention here today. It is the plan of the theater men to limit their film rentals to independents as far as possible and tell the "big three" producers they must "get out of the exhibition end."

The initial steps in the move were taken when a host of independent producers and exchange men allied themselves with the independent producers and distributors' association, headed by I. E. Chadwick, and decided to form an alliance for absolute protection from "the monopolistic tactics of the combine."

The suggestion that the independents select a super-Hays came with the arrival of W. A. Steffes, Minneapolis, president of the "rebel group" the Motion Picture Theater Owners of the Northwest.

He owns several theaters in the outlying districts of that city.

### GREECE ADOPTS OUR SCHOOL SYSTEM

Salonika, Greece, May 13.—The Greek government will model its school system in the new refugee villages here on American lines, giving a combination of academic and trade training. Nine towns have been selected as sites for government orphan schools, to train boys and girls for industrial and agricultural life. The Near East Relief will furnish an American educational advisor to assist the government in this work.

### GRADING IS TO START THIS FALL, SAYS BABCOCK

PAVING MAY BE DONE DURING  
THE NEXT SUM-  
MER

ENGINEERS NOW AT WORK MAK-  
ING NECESSARY  
SURVEYS

The Dispatch reproduces this article from the Little Falls Daily Transcript, which was given wide prominence in its Tuesday issue:

Morrison county has been approved for federal aid road building by the Department of Agriculture totaling an estimated cost of \$762,000 between Little Falls and Brainerd, according to a message received by The Transcript this morning. The information was authentic and came direct from Washington.

Upon receipt of this information The Transcript immediately got in touch with Chas. M. Babcock at St. Paul, state highway commissioner, to learn the highway department's plans for this project. Mr. Babcock stated that engineers are now at work making surveys for the proposed road improvement and that it will be necessary to secure quite a bit of new right-of-way between the two cities before the grading can be advertised for. The proposed road will follow the present road bed at various places along the route but at several others an entirely new right-of-way will be secured in order to straighten out the road and keep it entirely on the west side of the railway tracks. The new road will not cross the tracks anywhere between this city and the Crow Wing county seat.

The department will get the preliminary work completed as soon as possible, Mr. Babcock said, so that bids on the grading may be opened late this summer and part of the grading done this fall. If state highway funds, which must be used together with the federal aid money, are available for the purpose it is the hope of the department to pave the road next year but whether or not this will be possible in 1926 is still in doubt.

The state highway department last year assisted Morrison county in the expense of grading and graveling county road No. 4 from a point just south of Belle Prairie through Freedom to the Crow Wing county line, there joining a first class gravelled road into Brainerd. This was done so that this road could be used as a detour during the time the work is being done on the new route to Brainerd.

The necessity of continuing the paving of trunk highway No. 27 from Belle Prairie into Brainerd has been apparent to the highway department as well as local motorists and tourists for several years, inasmuch as it is one of the main arteries through the state and the traffic over the route, especially during the tourist season, is enormous. The greater portion of the tourists from southern Minnesota and other states travel from Little Falls to Brainerd enroute to the numerous lakes in northern Minnesota. Had the road bond issue been approved by the last legislature it is more than likely that this piece of trunk highway would have been paved this year but since the department's funds are considerably curtailed this year the paving cannot be hoped for at least another 12-months' period.

An interesting fact in connection with the improvement of the Little Falls-Brainerd road is that this trail was one of the first in this part of the state and in the early history of this part of the Northwest Ft. Gary (now the city of Winnipeg) Canada, received all its mail over this road from the fort which was then located on the west bank of the Mississippi river opposite the present village of Ft. Ripley. Since this has been the principal artery of travel northward from this city for so many years and carries such a heavy traffic it is only

### SECRET SERVICE VETERAN IS A REGULAR SLEUTH

(By United Press)  
Minneapolis, May 13.—Captain Thomas Porter, 79 years old, a veteran of 40 years in the United States secret service circles, detailed in federal court yesterday roles he assumed to bring about the arrest of Clyde Smith and Mrs. Ch. Bearse on charges of attempted sale of altered Liberty bonds.

### GREAT NORTHERN BUYS 4 ELECTRIC LOCOMOTIVES

TO BE USED IN SERVICE  
THROUGH CASCADE  
MOUNTAINS

COST OF NEW EQUIPMENT RUNS  
OVER HALF  
MILLION

(By United Press)  
St. Paul, May 13.—An order for four electric locomotives to be used through the Cascade Mountains has been placed by the Great Northern railway, it was announced here.

Cost of the new equipment which is to be built by the Westinghouse Electric Company at Pittsburgh is to be \$530,000.

The new locomotives are to be used in hauling both freight and passenger trains between Washington and the Cascade tunnel, a distance of approximately 24 miles. Trains have been moved through the tunnel by electricity since 1909, but electrification of additional mileage will add materially to the convenience and economy of operation, officials of the road said.

### HEAVY RAIN FLOODS SEWERS

KANSAS CITY, MO., VISITED BY  
SEVERE ELECTRICAL  
STORM

(By United Press)  
Kansas City, May 13.—Streets and basements were flooded and sewers broke in several places in the downtown district following a heavy rain and electrical storm here early today. Streets were littered with rubbish swept along by miniature rivers, hampering streetcar travel during the early rush hours.

### BABY FARM IS INVESTIGATED

CHARGED OWNER ALSO SOLD  
CEMETERY PLOTS TO BE-  
REAVED MOTHERS

(By United Press)  
New York, May 13.—Charges that Mrs. Helen Geizen-Zolk augmented the profits from her baby farm by selling cemetery plots to the mothers of infants who died while under her care are being investigated today by Assistant District Attorney Ryan.

This inquiry was started after Mrs. Margaret Toohey had told Ryan that following the mysterious death of her 18-month-old daughter Agnes at the Infantorium on December 15th, Mrs. Zolk sold her a private lot in St. Michael's cemetery for \$655. Through her attorney, Mrs. Zolk flatly denied allegations made against her, saying they were inspired by spite and malice. She is held under \$25,000 bonds pending the outcome of the series of investigations now in progress.

logical that it be hard surfaced at the first opportunity and the highway department has apparently been shaping its plans to that end for some time.

### FOUND GUILTY POISONING MOTHER, AUNT AND UNCLE

JURY AT MEDINA, OHIO, REPORTS  
AND RECOMMENDS  
MERCY

MRS. MARTHA WISE CONFESSES  
TO POISONING DRINKING  
WATER

(By United Press)  
Medina, O., May 13.—Mrs. Martha Wise today was found guilty of first degree murder in connection with the fatal poisoning of her mother, aunt and uncle. The jury reported shortly before noon, recommending mercy.

Mrs. Wise was indicted following a confession in which she said she poisoned the drinking water in the homes of 14 relatives. Her only explanation was that "the devil made me do it." The defense was insanity. Prosecuting witnesses, however, testified Mrs. Wise wanted to get her mother out of the way because she was opposing the poison widow's marriage to the man she loved.

The poisoning of the aunt and uncle was born, it was declared, of Mrs. Wise's belief they suspected her in her mother's death.

Mrs. Wise received the verdict stoically. A few sobs escaped as the foreman pronounced the word guilty the first time, but she soon recovered her composure. Under the mercy recommendation, the court is bound to sentence Mrs. Wise to a life term in Marysville Reformatory.

### REBELS ATTACK FILM PRODUCERS

INDEPENDENTS WOULD COMPEL  
BIG FELLOWS TO GIVE  
UP THEATERS

Milwaukee, May 13.—In a battle, which, they term, is for survival, independent producers and theater-owners, in convention here today, expect to take steps in a move to compel the Famous Players-Lasky, Metro-Goldwyn and First National film-making corporations to cease purchasing new theaters and give up those they already have.

Their plan, as indicated following a conference last night, is to select some dictator for the independent groups who shall "out-Hays" Will Hays, czar of the movies.

The formal plan is to be presented at the opening of the motion picture theater owners' convention here today. It is the plan of the theater men to limit their film rentals to independents as far as possible and tell the "big three" producers they must "get out of the exhibition end."

The initial steps in the move were taken when a host of independent producers and exchange men allied themselves with the independent producers and distributors' association, headed by I. E. Chadwick, and decided to form an alliance for absolute protection from "the monopolistic tactics of the combine."

The suggestion that the independents select a super-Hays came with the arrival of W. A. Steffes, Minneapolis, president of the "rebel group," the Motion Picture Theater Owners of the Northwest.

He owns several theaters in the outlying districts of that city.

### GREECE ADOPTS OUR SCHOOL SYSTEM

Salonica, Greece, May 13.—The Greek government will model its school system in the new refugee villages here on American lines, giving a combination of academic and trade training. Nine towns have been selected as sites for government orphan schools, to train boys and girls for industrial and agricultural life. The Near East Relief will furnish an American educational advisor to assist the government in this work.

## M. E. CHURCH YOUNG PEOPLE

Have Luncheon and Entertainment at Benson Cottage on Gull Lake

On Tuesday evening the members of the Young Peoples Department of the M. E. church gathered at the designated place where cars were waiting to convey them to the Benson cottage on Gull lake.

At 8:30 o'clock five cars were loaded with people and good things to eat and ready to leave for the lake.

Everyone knew what kind of a time to expect as it was the boys' turn to entertain the department.

Some really clever entertainment and games had been planned. Last but not least tables were placed on the porch where covers were laid for nineteen.

The girls all agreed that the boys are right, royal, and good entertainers.

## PHILADELPHIA

### MAY BE HOST

MAY ENTERTAIN ADVERTISING CLUB OF WORLD CONVENTION IN 1926

Houston, Texas, May 13.—Unless a 41-year precedent is broken, Philadelphia will be host to the 1926 advertising club of the world convention. The board of advertising club presidents unanimously selected the Quaker city last night. It is the plan to have the convention next year during the 150th anniversary of the signing of the Declaration of Independence.

Continuing the dollar and cents program with peace in the background, the attention of the delegates was directed to international trade. Twenty-six trade advisers from all parts of the world were dispensing and exchanging information, while those who cared to, looked on. The convention was taking an outing this afternoon at Galveston beach.

## GASOLINE UP ONE CENT IN ABERDEEN

## DISTRICT COURT PROCEEDINGS

Jury in Mauzakis and Soulis vs J. A. Schultz Finds for Defendant

IS DECLARED NOT NEGLIGENT

Case on Trial is Meyer D. Stern Trustee, vs John P. Anderson

In district court Wednesday morning, the jury in the cases of Iva Mae Mauzakis against J. A. Schultz, and Maria Soulis against J. A. Schultz, tried jointly on Tuesday, brought in verdicts in each case finding Mr. Schultz not guilty of negligence. L. P. Solberg was foreman of the jury.

The plaintiffs in these cases charged that Mr. Schultz was negligent and caused an automobile collision near the four-mile corner on East Oak street last July, in which the plaintiffs were injured.

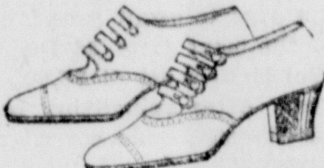

The case set for trial Wednesday afternoon was that of Meyer D. Stern, trustee for the U. S. L. Realty Co., against John P. Anderson, in which the plaintiff asks judgment in the sum of \$757.37, with interest, costs and disbursements, alleged to be due on a contract made between the U. S. L. Realty Co. and Mr. Anderson in which the latter is said to have contracted to purchase five shares of stock in the company for \$800, only a part of which, according to the complaint, has been paid.

Allen & Fletcher are attorneys for the plaintiff, and M. E. & C. A. Ryan represent Mr. Anderson.

## DISTRICT COURT PROCEEDINGS

Jury in Mauzakis and Soulis vs J. A. Schultz Finds for Defendant

## IS DECLARED NOT NEGLIGENT

Case on Trial is Meyer D. Stern Trustee, vs John P. Anderson

In district court Wednesday morning, the jury in the cases of Iva Mae Mauzakis against J. A. Schultz, and Maria Soulis against J. A. Schultz, tried jointly on Tuesday, brought in verdicts in each case finding Mr. Schultz not guilty of negligence. L. P. Solberg was foreman of the jury. The plaintiffs in these cases charged that Mr. Schultz was negligent and caused an automobile collision near the four-mile corner on East Oak street last July, in which the plaintiffs were injured.

The case set for trial Wednesday afternoon was that of Meyer D. Stern, trustee for the U. S. L. Realty Co., against John P. Anderson, in which the plaintiff asks judgment in the sum of \$767.37, with interest, costs and disbursements, alleged to be due on a contract made between the U. S. L. Realty Co. and Mr. Anderson in which the latter is said to have contracted to purchase five shares of stock in the company for \$800, only a part of which, according to the complaint, has been paid.

Allen & Fletcher are attorneys for the plaintiff, and M. E. & C. A. Ryan represent Mr. Anderson.

## FINE MUSICAL TALENT SECURED

Also Funniest Comedians in Cast of  
"Lions Minstrel  
Mimics"

AT NEW PARK MAY 19 AND 20

George Sweet and William Anderson  
Officiate as End  
Men

The funniest comedians in the community and the best musical talent available will comprise the cast of the "Lions Minstrel Mimics" to be staged at the New Park theatre on next Tuesday and Wednesday, May 19th and 20th, under the auspices of the Brainerd Lions club.

George Sweet and William Anderson are end men in the minstrel first part, and are considered by Jack Geller, director, as truly "big finds" for these comedy parts. "They do their stuff like veteran comedians," was Mr. Geller's comment. Walter M. Murphy will be interlocutor, and in his rehearsals is proving himself a second Lew Dockstader.

Among the many musical numbers in the minstrel first part are such popular tunes as "Big Bad Bill," by George Sweet and chorus; "Rock-a-bye Baby Days," by William Anderson; "I Can't Elope Tonight," D. H. Fullerton; "Some Other Day, Some Other Girl," A. C. Mraz and chorus; "Tell Her in the Springtime," Rowland Jenkins and chorus; "Somebody Loves Me," Dr. G. I. Badeaux and chorus; "My Girl Don't Love Me Any More," L. F. Hough and chorus. Male quartet numbers will include "You're Just a Flower From An Old Bouquet" and "Yearning."

But the big minstrel show, with 23 men in the circle, isn't half of the "Lions Minstrel Mimics." There are two other sections, each vying with the other for popularity. The second section is "A Day at the Brainerd Country Club Links," and the third is the musical comedy, "The Isle of Never Known," in which the Misses Mayme Scallon and Ella Olson are featured with a bevy of Brainerd beauties forming a grass-skirt chorus. More concerning these sections will be disclosed later.

"The Lions Minstrel Mimics" is a

John B. Rogers Producing Company show of the highest quality. It is entirely new, being put out since the first of this year, and has taken its audiences by storm wherever it has been staged. The local Lions made a thorough investigation of the production before contracting for it, and found nothing but the highest praise from the organizations under whose auspices it has been staged. Mr. Geller is a director of exceptional ability, and is very successful with his rehearsals, which are being held daily. The cast is very enthusiastic and is working hard to make the show a success.

The proceeds of "The Minstrel Mimics" will be used by the Brainerd Lions Club in furthering its civic program. Many local people do not understand this work, and as an explanation, several projects that have been successfully fostered by the club in the past are cited.

One of these is the assistance given to the Brainerd Boys Band at the time of its organization. The Lions gave over \$100 to this band in addition to personal aid in arousing interest both on the part of the boys and the public.

Another project that took considerable money was the county boys and girls alfalfa contest, when nearly \$150 was given to young people by the Lions. This contest is said to have established alfalfa raising in Crow Wing county, as one of its principal crops, and has been a great boon to dairying.

The Lions hope to continue such worthy civic projects in the future, with the finances realized through the coming minstrel show, and the public is asked to give this production its hearty support on next Tuesday and Wednesday.

EASTERN STAR SOCIAL CLUB

Mrs. Herbert Paine, Chairman of  
Entertainment, at Monday Evening Meeting, May 18

The Eastern Star social club, of Alpha chapter, will hold its next regular meeting, and the last before closing for the summer months, on Monday evening, May 18th, in the Masonic parlors.

The ladies of the club are entertaining at this meeting. Mrs. Herbert Paine is general chairman of the

festivities, with two very able assistants, Mrs. Harry J. Wilson in charge of refreshments and Mrs. M. E. Morrison as head of the entertainment.

Cards are to be the chief diversion of the evening, with other entertainment for those who do not care to play. Mrs. Wilson refuses to divulge the character of the refreshments, but states that her committee is preparing to feed about one hundred persons.

All members of the order of the Eastern Star are eligible to attend these social gatherings, and are urged to be present and assist in making the evening a big success. The families of the members are also invited, as they have been to similar functions in the past. There is to be no charge for the evening other than the regular small membership fee.

The social club will hold no meetings during the summer months, but will resume its activities on a large scale with the opening of the autumn season.

### BRAINERD-MADE PAPER

Featured Strongly in Newspaper Contest at the Editor's Short Course

Brainerd-made paper featured strongly in the newspaper contest held last week in connection with the annual editors' short course at the University farm, said Thomas Johnson, of the Northwest Paper Company's mill.

"The Queen City Sun," of Virginia, Minnesota, won first place in the front page make-up contest, and a part of the credit for the fine appearance of this front page was due to the paper upon which it was printed. That paper was manufactured in the Brainerd mill.

### Ladies Aid Postponed

The ladies aid of the Bethlehem Lutheran church has been postponed from Thursday, May 14th to the following Thursday, May 21st. Members are asked to keep this change of date in mind.

### Evangelical Church Aid

The ladies aid of the Evangelical church N. E. will be entertained by Mrs. H. Krueger, Mrs. J. Purdy, Mrs. J. Zander and Mrs. H. Brooks, Thursday afternoon in the church parlors. Visitors are always welcome.

### BASKET SOCIAL

Sutton School, in District 15, to Hold  
Same on Friday Evening,  
May 15

The children of district No. 15, better known as the Sutton school, will hold a basket social on Friday evening, May 15th, to which the public, and especially Brainerd friends, are cordially invited.

In addition to the sale of baskets, an excellent program is promised. Ice cream will be served and one of the diversions is to be a fish pond.

The Sutton school is located five miles south of the city on the Thirteenth street road, and two miles east. Miss Ellen Nyquist, of Brainerd is the very successful teacher of this school.

### Norwegian-Danish Aid

The ladies aid of the Norwegian-Danish Lutheran church will meet on Thursday afternoon, May 14th, in the church parlors, and will be entertained by Mrs. C. Jernberg and Mrs. Casper Olson. All members are urged to be present and visitors are welcome.

### Swedish Bethany Aid

The ladies aid society of the Swedish Bethany church will meet on Thursday afternoon at 2:30 o'clock at the home of Mrs. Emil Anderson, 1024 Rosewood S. E. Mrs. Anderson and Mrs. John Peterson will entertain.

### NEAR EAST RELIEF

Bundle Day, May 15, Coats, Sweaters,  
Dresses, Blankets, Etc.,  
Desired

Dr. Henry Van Dyke has said, "The really finest, most beautiful, most unselfish thing that America did in this great epoch of world history was the foundation of the Near East Relief."

"America saved them from starvation and is training them. Surely we cannot forsake them now."

"There are thousands of children of kindergarten age in the orphanages of the Near East Relief."

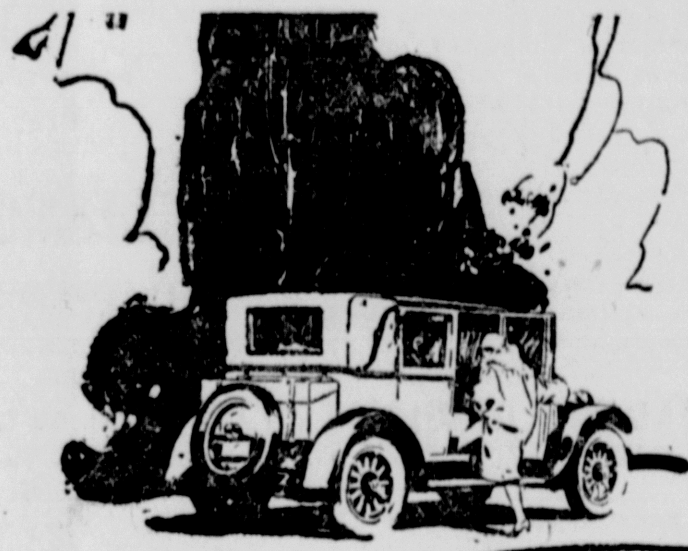

"Of the tens of thousands of children in the organization's care, over 81 per cent are under fourteen years of age, and over 61 per cent are under twelve years."

"During the past year over 25 per cent of the children have been graduated from the orphanages into self-support or adoption; those remaining are too young to be thrown upon their own resources. They are not only without father, without mother and without responsible relatives, but they are without country."

Remember Bundle Day, May 15th. Coats and sweaters, dresses, blankets, wool shirts, heavy hose, wool gloves, boots and shoes. (Must be tied in pairs) shop worn garments, sheets for bandages, new cloth and any heavy, warm clothing in which there is still some wear.

## THE GOLDEN RULE IN BUSINESS

THE other day we heard a speaker talking about the Golden Rule in business and he seemed to come to the conclusion that the taking of profits did not fit in with the Golden Rule of doing unto others as you would have them do unto you.

Now business implies profits. But the Golden Rule can be exemplified in the measure of profits taken and the service rendered in merchandising. A fair profit, one that gives the merchant a fair return and enables him to pay decent wages, advertise consistently and build up his trade, is something no man will begrudge another.

But the end of the Golden Rule is in sight when a man asks an outrageous profit, makes the transaction one of straight selling without any service and is so anxious for profits that he never gives the community any civic help, never pays decent wages and is in business just to pile up the dollars.

The very act of doing business implies that a fair profit be made from the merchandising. Business has its principles too. These include the scrupulous preservation of credit, backing up one's advertising, courteous treatment of customers, giving the best values possible for every dollar spent by a customer, prompt rectification of complaints, etc.

Yes, taking the narrow view of business, that it cannot follow a Golden Rule because it takes a share of profits, shows that any such man really offers poor logic and reasoning.

In the old days the axiom was, "Let the buyer beware." You bought at your own risk. Nowadays any statement made by a reputable manufacturer, wholesaler or retailer is backed up by honest performance.

We may not talk nowadays so much about the Golden Rule, but we do dwell on the day of a Square Deal.

That this phase of Rotary work is creating attention may be noticed in the various communications addressed the international body and of which the best secure publication. They give the readers' viewpoints and are worth earnest study.

## A SQUARE SPORTSMAN

A SPORTSMAN is something more than just a fellow who fishes or hunts. Traveling in a bunch, a sportsman is a man who "holds up his end" of the game. He does his share of camp work, he chops his share of wood, takes his turn at the cooking and the many other camp duties.

With two in a boat fishing, the square sportsman does not "hog" all the fishing and let the other fellow do all the roving. He takes his turn at the oars and lets the other fellow have his equal share of fishing, changing seats if necessary.

There are fishing clubs of various kinds, but the club that endures is the one in which pleasures and duties are equally shared, in which work and expense are equitably shared. The law of the woods is a square deal in everything, the observance of all fish and game laws as well as those of personal behavior.

## THE CROW BOUNTY

ONE talks of a crow bounty these days, but there is no such thing. Believing that the bill providing for a state bounty of 10 cents on crows became a law after passage by the state legislature, a large number of people have been shooting crows and addressing inquiries to the county auditor.

The bounty did not become effective, for it was vetoed by Governor Christianson after the legislature adjourned. Hence it is impossible to collect a bounty on crows by presenting the same to our county auditor.

The other day a man came to the court house in Brainerd with 50 gopher tails, expecting to get a bounty on them. There are some townships, however, says County Auditor C. W. Mahlum, that are paying a small bounty on crows and gophers.

## WHY THE DISCRIMINATION?

THE main job of southern Minnesota, as we see it, is to legislate for northern Minnesota and tell us what to do, from iron ore taxation to roads, from forestry to fishing.

The last legislature divided the state into two sections, the northern and southern zones. The season for sunfish, crappies, bass and rock bass does not open in this territory until June 21. In the southern zone the season for these species opens on May 29.

The dividing line for this discrimination in fishing runs through St. Cloud, so that all territory north of St. Cloud is in the zone with the later opening date.

A later fishing date, as applied to the Brainerd Lake Region, has an effect on our tourist business.

ST. CLOUD's quota of the American Legion endowment fund is \$4,000 and the campaign is now under way to raise the money. Many of St. Cloud's leading men have been selected as honorary committee men. They include Rt. Rev. Bishop F. Busch, bishop of St. Cloud, chairman, and E. S. Hill, C. J. Metzroth, W. W. Murphy, C. F. Ladner, Charles E. Vasaly, J. C. Brown, Judge J. A. Roeser, E. D. Cross, P. B. Gorman, M. B. Lang, J. Arthur Benson, Dr. J. B. Dunn, F. J. Thielman, J. D. Sullivan, Alvah Eastman, Fred Schilplin, J. J. Quigley, Paul Ahles, J. W. Peterson, Edward A. Murphy and John Carter. The active committee is all Legion men with Ray J. Quinlivan as chairman and P. M. Wehrens as secretary.

GENE TUNNEY, training at White Sulphur Springs, N. Y., takes on wood chopping as an essential part of his program. This will be glad news to the fathers of Brainerd who can have their hopefuls take up such training.

A HAPPY marriage is said to make a woman more beautiful, for marriage is declared to be the natural destiny of a woman. We wonder if getting married will improve the looks of some of the scrubby, old bachelors in our town.

IT'LL be like another railroad coming to town when Trunk Highway No. 27 is paved from Brainerd to Belle Prairie.

A MAN at Little Falls was hit so hard by a train that he has forgotten everything he knows.

## GOVERNMENT IS INVESTIGATING CHARGES CONCERNING MANIPULATION

(By United Press)  
Washington, May 13.—Secretary of Agriculture Jardine today called bureau chiefs of the department into conference to determine the next step in the department's investigation into the wheat market speculation.

The investigation was started early in March to discover whether manipulation had caused the unusual drop in the price of wheat. Since then the inquiry has proceeded quietly.

## U. S. MAKES DEMAND AT A LEAGUE OF NATIONS PARLEY

(By United Press)  
Geneva, May 13.—Once again the United States is making an impression at a league conference with demand for full publicity on the subject under discussion. Theodore Burton of Ohio who heads the American delegation announced at the League of Nations parley that the United States would ask for publication of discussion not only of sale of arms by one nation to another, but of figures regarding private manufacture.

Burton also said the United States would ask agreement on all circumstances regarding traffic in arms by importing nations.

## THE GOLDEN RULE IN BUSINESS

THE other day we heard a speaker talking about the Golden Rule in business and he seemed to come to the conclusion that the taking of profits did not fit in with the Golden Rule of doing unto others as you would have them do unto you.

Now business implies profits. But the Golden Rule can be exemplified in the measure of profits taken and the service rendered in merchandising. A fair profit, one that gives the merchant a fair return and enables him to pay decent wages, advertise consistently and build up his trade, is something no man will begrudge another.

But the end of the Golden Rule is in sight when a man asks an outrageous profit, makes the transaction one of straight selling without any service and is so anxious for profits that he never gives the community any civic help, never pays decent wages and is in business just to pile up the dollars.

The very act of doing business implies that a fair profit be made from the merchandising. Business has its principles too. These include the scrupulous preservation of credit, backing up one's advertising, courteous treatment of customers, giving the best values possible for every dollar spent by a customer, prompt rectification of complaints, etc.

Yes, taking the narrow view of business, that it cannot follow a Golden Rule because it takes a share of profits, shows that any such man really offers poor logic and reasoning.

In the old days the axiom was, "Let the buyer beware." You bought at your own risk. Nowadays any statement made by a reputable manufacturer, wholesaler or retailer is backed up by honest performance.

We may not talk nowadays so much about the Golden Rule, but we do dwell on the day of a Square Deal.

That this phase of Rotary work is creating attention may be noticed in the various communications addressed the international body and of which the best secure publication. They give the readers' viewpoints and are worth earnest study.

## A SQUARE SPORTSMAN

A SPORTSMAN is something more than just a fellow who fishes or hunts. Traveling in a bunch, a sportsman is a man who "holds up his end" of the game. He does his share of camp work, he chops his share of wood, takes his turn at the cooking and the many other camp duties.

With two in a boat fishing, the square sportsman does not "hog" all the fishing and let the other fellow do all the rowing. He takes his turn at the oars and lets the other fellow have his equal share of fishing, changing seats if necessary.

There are fishing clubs of various kinds, but the club that endures is the one in which pleasures and duties are equally shared, in which work and expense are equitably shared. The law of the woods is a square deal in everything, the observance of all fish and game laws as well as those of personal behavior.

## THE CROW BOUNTY

ONE talks of a crow bounty these days, but there is no such thing. Believing that the bill providing for a state bounty of 10 cents on crows became a law after passage by the state legislature, a large number of people have been shooting crows and addressing inquiries to the county auditor.

The bounty did not become effective, for it was vetoed by Governor Christianson after the legislature adjourned. Hence it is impossible to collect a bounty on crows by presenting the same to our county auditor.

The other day a man came to the court house in Brainerd with 50 gopher tails, expecting to get a bounty on them. There are some townships, however, says County Auditor C. W. Mahlum, that are paying a small bounty on crows and gophers.

## WHY THE DISCRIMINATION?

THE main job of southern Minnesota, as we see it, is to legislate for northern Minnesota and tell us what to do, from iron ore taxation to roads, from forestry to fishing.

The last legislature divided the state into two sections, the northern and southern zones. The season for sunfish, crappies, bass and rock bass does not open in this territory until June 21. In the southern zone the season for these species opens on May 29.

### MORE THAN A JEWEL

Minneapolis Labor Review

**C**ONSISTENCY is not only a jewel to be admired like a brilliant diamond in the jewelry store window or on the finger of a beautiful woman.

Consistency is something useful. It is a quality of great power especially when employed by the members of organized labor.

Organized workers are afforded an opportunity to demonstrate their consistency in the way they spend their money.

Workers outside the ranks of organized labor, and employers are ever on the alert to see how consistent members of organized labor are when spending their money.

The unorganized worker seeing a unionist carelessly directing his spending power for non-union goods becomes doubtful of the effectiveness of the movement and wonders whether it is really beneficial or not.

The employer seeing organized workers spending their money for nonunion products wonders why he should negotiate with an organization whose members are not consistent supporters of its principles and who forget their obligations.

These doubts in the minds of the unorganized workers and of the employer can be forever banished by organized workers consistently, day after day refusing to purchase anything but union label products.

Someone is always watching when you are making a purchase. They may not say anything, but they are thinking a lot. Either thinking well or ill of you and what they think is measured by your consistency.

Make consistency a useful thing to strengthen and build up the organization instead of useless jewel of words to be

talked about in union meetings, by being eternally consistent in the purchase of union label goods.

### WHICH SHALL RULE?

*A Picked and Appointed Supreme Court or a People's Congress?*

(By the E. L. C. League)

**"L**EST WE FORGET" the decision of the United States Supreme Court, nullifying the District of Columbia minimum wage law for women, should be read in connection with the proposal for a constitutional amendment adopted by the last convention of the American Federation of Labor in the following language:

An amendment providing that, if the United States Supreme Court decides an act of congress is unconstitutional, or, by interpretation asserts a public policy at variance with the statutory declaration of congress by a two-thirds majority, repasses the law, it shall become the law of the land.

With such an amendment in force it would be a simple matter for congress to right the wrong done by this decision; and also for congress to right the wrong done by the same court in declaring the child labor law unconstitutional.

There appears to be no other effective avenue of relief from reactionary Supreme Court decisions.

The American people need look for no immediate relief from decisions such as this because the complexion of the court is not likely to be changed in the near future.

The late President Harding appointed four members of the Supreme Bench and these men without exception, are rooted in a social concept that has all but passed.

The thought that Supreme Court decisions are written out of flexible law is a pleasant fiction. Supreme Court de-

cisions, especially in cases involving what is generally known as social legislation, are shaped largely on the trend of mind and philosophy which happens at the time to dominate the court.

This argument would have little force were it not for the fact that the power of the Supreme Court, to declare laws unconstitutional is a usurped power not vested in the court by the constitution.

The problem is to restore the power to the people, as the constitution intended and as the American people continue to intend.

Abraham Lincoln said: "It is a duty of the whole people never to intrust to hands other than their own the preservation and perpetuation of their own liberties and institutions."

"No man is good enough to govern another man without that man's consent. No men living are more worthy to be trusted than those who tell up from poverty; none less inclined to take or touch aught which they have not honestly earned."

"Inasmuch as good things are produced by labor, it follows that all such things by right belong to those whose labor produced them."

"Allow all the governed an equal voice in the government. That and that alone is self-government."

"To secure each laborer the whole product of his labor, or as nearly as possible is a worthy object of any government."

The candid citizen must confess, that, if the policy of the government upon vital questions affecting the whole people is to be irrevocably fixed by decisions of the Supreme Court, the instant they are made in ordinary between parties in personal action the people have ceased to be their own rulers, having to that extent practically resigned their government into the hands of the eminent tribunal.

### INDIFFERENT UNIONISM

**T**HE immediate menace to the cause of unionism in this country is lethargy, negligence and indifference. Too many union men and too many unions for that matter, are taking things for granted. They are assuming that unionism now is strong enough to take care of itself, and will live and grow on its own momentum. Many of these men today are neglecting most seriously the plans and processes which were established to maintain and develop the strength of the union cause.

They do not fulfill many of the important obligations of the union man. They will not attend the meetings of their union. They never ask for the union label. They work on a job with a man without a card. They knock the officers and the loyal members, and do not contribute in any manner to the advancement of the cause, except, perhaps, by paying their dues, at which they invariably grumble.

They assert there is no danger of their ever doing anything contrary to union principles, or that would injure the labor movement. But what are they doing to strengthen the cause of organized labor? Do they know that the program of a trade-unionist must be positive, not negative if anything is to be accomplished?

They might claim that their actions will always be in accord with union principles; but they seem to forget that the progress of unionism is measured by the strength that results from the faithful, earnest and active conduct of the members of organized labor. It matters not how just the cause may be, it cannot succeed in full measure unless the members are solidly united in hand, heart and mind.

There has got to be a higher degree of loyalty and earnestness in union members if the cause is to go forward.

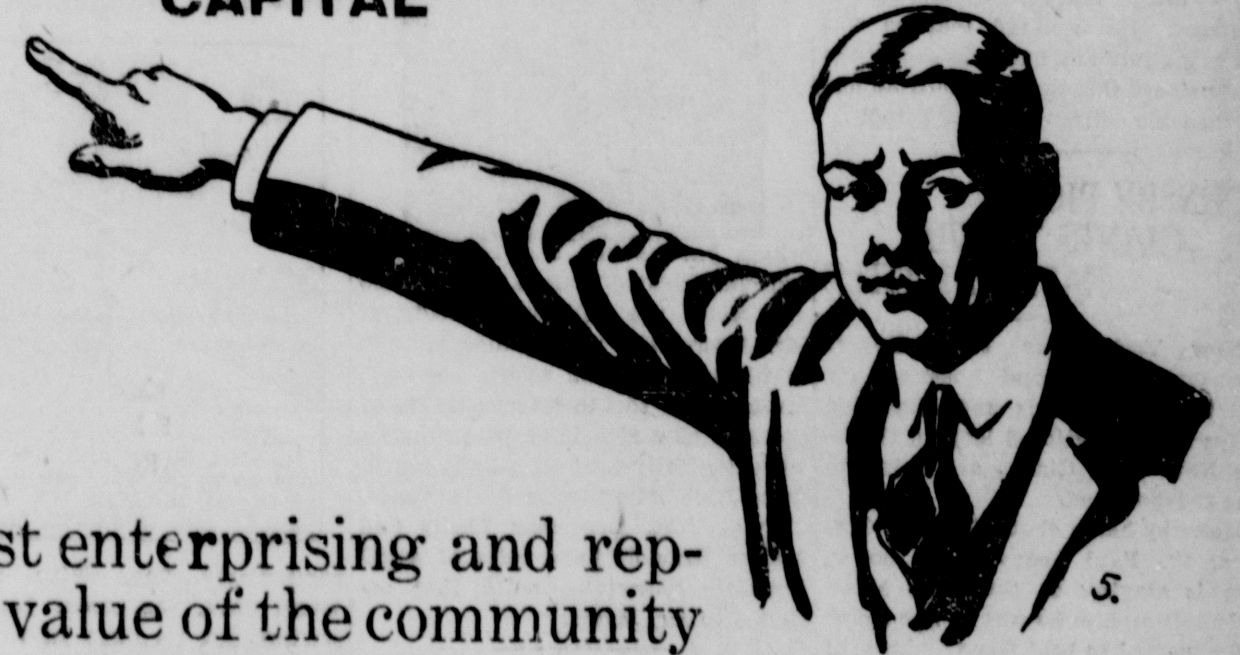

## LABOR

# CO-OPERATION

## IS THE FIRST PRINCIPLE OF SUCCESS

CAPITAL

Greater industrial growth for Brainerd and Minnesota is ahead. The logical and only way to build up a community such as this, is to show your own faith in a definite, concrete and practical way. The dollar expended with HOME INDUSTRY eventually returns to the good citizen, who spent it. The dollar sent out of the community for commodities that could be purchased in Brainerd may never return; in fact it seldom does.

These firms and organizations are listed among Brainerd's most enterprising and reputable 'Future Builders'. Co-operate with them and increase the value of the community

**MORE THAN A JEWEL**

Minneapolis Labor Review

CONSISTENCY is not only a jewel to be admired like a brilliant diamond in the jewelry store window or on the finger of a beautiful woman.

Consistency is something useful. It is a quality of greatest power especially when employed by the members of organized labor.

Organized workers are afforded an opportunity to demonstrate their consistency in the way they spend their money.

Workers outside the ranks of organized labor, and employers are ever on the alert to see how consistent members of organized labor are when spending their money.

The unorganized worker seeing a unionist carelessly directing his spending power for non-union goods becomes doubtful of the effectiveness of the movement and wonders whether it is really beneficial or not.

The employer seeing organized workers spending their money for nonunion products wonders why he should negotiate with an organization whose members are not consistent supporters of its principles and who forget their obligations.

These doubts in the minds of the unorganized workers and of the employer can be forever banished by organized workers consistently, day after day refusing to purchase anything but union label products.

Someone is always watching when you are making a purchase. They may not say anything, but they are thinking a lot. Either thinking well or ill of you and what they think is measured by your consistency.

Make consistency a useful thing to strengthen and build up the organization instead of useless jewel of words to be

talked about in union meetings, by being eternally consistent in the purchase of union label goods.

**WHICH SHALL RULE?**

*A Picked and Appointed Supreme Court or a People's Congress?*

(By the E. L. C. League)

"LET US FORGET" the decision of the United States Supreme Court, nullifying the District of Columbia minimum wage law for women, should be read in connection with the proposal for a constitutional amendment adopted by the last convention of the American Federation of Labor in the following language:

An amendment providing that, if the United States Supreme Court decides an act of congress is unconstitutional, or, by interpretation asserts a public policy at variance with the statutory declaration of congress by a two-thirds majority, repasses the law, it shall become the law of the land.

With such an amendment in force it would be a simple matter for congress to right the wrong done by this decision; and also for congress to right the wrong done by the same court in declaring the child labor law unconstitutional.

There appears to be no other effective avenue of relief from reactionary Supreme Court decisions.

The American people need look for no immediate relief from decisions such as this because the complexion of the court is not likely to be changed in the near future.

The late President Harding appointed four members of the Supreme Bench and these men without exception, are rooted in a social concept that has all but passed.

The thought that Supreme Court decisions are written out of flexible law is a pleasant fiction. Supreme Court de-

cisions, especially in cases involving what is generally known as social legislation, are shaped largely on the trend of mind and philosophy which happens at the time to dominate the court.

This argument would have little force were it not for the fact that the power of the Supreme Court, to declare laws unconstitutional is a usurped power not vested in the court by the constitution.

The problem is to restore the power to the people, as the constitution intended and as the American people continue to intend.

Abraham Lincoln said:

"It is a duty of the whole people never to intrust to hands other than their own the preservation and perpetuation of their own liberties and institutions."

"No man is good enough to govern another man without that man's consent. No men living are more worthy to be trusted than those who toll up from poverty; none less inclined to take or touch aught which they have not honestly earned."

"Inasmuch as good things are produced by labor, it follows that all such things by right belong to those whose labor produced them."

"Allow all the governed an equal voice in the government. That and that alone is self-government."

"To secure each laborer the whole product of his labor, or as nearly as possible is a worthy object of any government."

The candid citizen must confess, that, if the policy of the government upon vital questions affecting the whole people is to be irrevocably fixed by decisions of the Supreme Court, the instant they are made in ordinary between parties in personal action the people have ceased to be their own rulers, having to that extent practically resigned their government into the hands of the eminent tribunal.

**INDIFFERENT UNIONISM**

THE immediate menace to the cause of unionism in this country is lethargy, negligence and indifference. Too many union men and too many unions for that matter, are taking things for granted. They are assuming that unionism now is strong enough to take care of itself, and will live and grow on its own momentum. Many of these men today are neglecting most seriously the plans and processes which were established to maintain and develop the strength of the union cause.

They do not fulfill many of the important obligations of the union man. They will not attend the meetings of their union. They never ask for the union label. They work on a job with a man without a card. They knock the officers and the loyal members, and do not contribute in any manner to the advancement of the cause, except, perhaps, by paying their dues, at which they invariably grumble.

They assert there is no danger of their ever doing anything contrary to union principles, or that would injure the labor movement. But what are they doing to strengthen the cause of organized labor? Do they know that the program of a trade-unionist must be positive, not negative if anything is to be accomplished?

They might claim that their actions will always be in accord with union principles; but they seem to forget that the progress of unionism is measured by the strength that results from the faithful, earnest and active conduct of the members of organized labor. It matters not how just the cause may be, it cannot succeed in full measure unless the members are solidly united in hand, heart and mind.

There has got to be a higher degree of loyalty and earnestness in union members if the cause is to go forward.

This is one of a series of feature pages being published by the Labor Unions in the interest of Trade Unionism and Community

## ICE TONGS AND NO SILVER SCREEN

HAROLD "RED" GRANGE PREFERS TO STICK WITH ICE WAGON IN SUMMER

Milwaukee, May 13.—Harold "Red" Grange, Illinois University football wonder, although offered fancy prices to pose under the spotlight, has decided he will continue to "track up" floors in Wheaton this summer, preferring his ice tongs to the silver screen.

Grange came to Milwaukee last night to meet several leading producers who are said to be offering him fancy prices for his signature to a contract. He declared that he was not going into any business except the ice business this summer until he had finished his college work at Illinois.

## HORNSBY PICKS GIANTS TO WIN NATIONAL TITLE

New York, May 13.—Rogers Hornsby, star second baseman for the St. Louis Cards and champion hitter of the National league, thinks the New York Giants are going to win the pennant.

Hornsby had a chat with Tom Gibbons, St. Paul heavyweight boxer, who is staying at the same hotel. After telling him he was in fine shape and expected to beat Gene Tunney in their coming bout, Gibbons asked: "How about your club's chance for the pennant?"

"The team that wins the pennant will have to beat the Giants," Hornsby answered.

## Marinelli May Die

New York, May 13.—Hope for the recovery of Benny Marinelli, New York jockey, whose skull was fractured in a spill at the Jamaica track last Friday, has been abandoned, it was announced at the hospital in Jamaica. He has been unconscious since he was removed from the track.

## PERSONAL INJURY SUIT FOR \$30,000

ADMINISTRATRIX OF ESTATE SWITCHMAN SUES NORTH-WESTERN ROAD

(By United Press)

Minneapolis, May 13.—Personal injury suit for \$30,000 against the Chicago & Northwestern railroad has been filed by Ida A. Eichman, Oshkosh, Wis., administratrix of the estate of Walter Eichman, with the clerk of the Hennepin county district court. The complaint sets forth that Eichman while employed as switchman for the company was thrown beneath the cars and almost instantly killed.

## MAIL AVIATOR IS NEAR DEATH

PLANE CRASHED DOWN IN A FOG NEAR SHELTON, NEB.

(By United Press)

Omaha, Neb., May 13.—C. C. Lang, air-mail pilot, who left Omaha shortly after midnight with transcontinental night air mail, crashed at Shelton, Neb., 24 miles from Grand Island early today in a fog and narrowly escaped death, according to information received at headquarters here. Lang was badly burned, bruised and the plane is a total loss from fire. A relief plane has been sent from here to pick up the 400 pounds of mail which Lang succeeded in rescuing from the burning plane.

## DRUG STORES MUST CHOOSE BETWEEN SODAS AND ALCOHOL

Madison, May 13.—Drugstores dispensing sodas and soft drinks cannot sell liquor and can have no alcohol on the premises, the Wisconsin supreme court held today in the case of Luther B. Davis, Oshkosh, against the state.

All places where soft drinks are sold must have a state license, the high court held. Under the present law, premises licensed to dispense soft drinks can sell no liquor.

Lively's Ford repair department use only genuine Ford parts, sold at Ford prices.

## AMUSEMENTS

Harry Myers Forsakes Comedy to Portray Favorite Type in "Behold This Woman"

Harry Myers, who played the lead in "The Connecticut Yankee," turns to villainy in "Behold This Woman,"

which has its last showings at the Lyceum Theatre tonight. Fans who appreciate the delicious comedy of Mr. Myers will not be disappointed in his latest screen effort, however, for he gives to the interpretation of the role of a rich idler who mingles with the Hollywood set a light touch. Irene Rich, Marguerite de la Motte, Charles Post, Rosemary Theby and Anders Randolph have roles of equal dramatic importance with that assigned to Mr. Myers.

### In a Heavy Sea

Taking pictures at sea has its drawbacks. Percy Hilburn and Robert Frazer went to Newfoundland to shoot the storm scenes for Reginald

FRANK KEENAN in "WOMEN WHO GIVE"

Barker's new Metro picture, "Women Who Give," which is coming to the New Park on Thursday and Friday. They hired a fishing schooner and set out to sea in an 80-mile-an-hour gale. The waves ran ninety feet high and seemed ready to gobble up the little fishing schooner with every swell. Lashed to a mast, with his camera fastened to the deck in front of him, Percy Hilburn, the cameraman, ground away on the raging storm while the infuriated elements ran their course.

Roberts Once Sea Captain

Theodore Roberts found playing the part of a retired admiral in "Forty Winks," the Paramount screen version of the stage comedy success, "Lord Chumley," showing at the New Park last time tonight, just as interesting if not quite as thrilling as the work which claimed his time for more than a year, that of captaining a schooner engaged in transporting dynamite in San Francisco Bay.

Mr. Roberts, then a young man scarcely old enough to vote, had given up the stage, temporarily it proved, and had gone to sea in accordance with the wishes of his father, himself a retired sea captain. The chief cargo of the schooner navigated by the younger Captain Roberts was dynamite, the young skipper having entered into an agreement with a bay city explosives manufacturing company.

Universal's Ranch Riders With Hoxie in "Daring Chances"

The Universal Ranch Riders, strangest organization in the world, appear full force in Jack Hoxie's newest and most sensational adventure on celluloid, "Daring Chances," his new Universal western at the Lyceum Theatre on Thursday and Friday.

The riders are a band of real cowboys, recruited from the cattle range of the West, chosen from among winners of big rodeos at Pendleton, Livermore, Salinas and Phoenix, and formed into a staff of "riding actors" to whom no feat in horsemanship is too difficult of accomplishment.

## Hiding Ugly Buildings

Many yards have unsightly garages or other small buildings that it is desirable to hide or ugly board fences to disguise. Annual vines and some of the taller-growing annuals are admirable to use as screens in such cases.

The best annual to hide an unsightly object quickly is the castor bean, the most majestic annual in the flower lists. The Zanzibar types are

CASTOR BEANS AND SUN FLOWERS ARE RAPID GROWERS AND MAKE EFFECTIVE SCREENS FOR HIDING FENCES AND UNSIGHTLY BUILDINGS.

particularly fine. With the first warm days, the castor bean starts sending out its huge palmate leaves and spinning up a thick, sturdy stalk until it is six to eight feet tall with a wide spread.

The tall annual sunflowers of the old-fashioned, familiar "Russian" type now come in shades of red and full doubles, which make majestic

ornaments of height and form a substantial screen.

Then there are the annual vines, the morning glory being the quickest and most effective and quickly covering any trellis or screen arranged for it and grabbing any support in sight if none is furnished. The Japanese morning glories offer a wonderful range of coloring and marking, particularly the imperial strain. They have leaves of varying shape and sometimes are attractively variegated.

The hyacinth bean and the old scarlet runner are valuable vines to furnish thick foliage, attractive, clean and with handsome blossoms to go with it. The moonflower is another useful member of the morning glory tribe that will reach up to the second story in a hurry, once it gets going.

Vines of finer texture which furnish veils of concealment rather than screen are the handsome Cardinal climber, a gorgeous sight, and the cypress vine. Cobea scandens in another handsome climber of slender growth with beautiful purple bells. The seed should always be planted edgewise.

The old-fashioned maderia vine, tubers of which are now on sale, is coming into popularity again as a porch vine. It has leathery, glossy foliage and fragrant white spray of flowers.

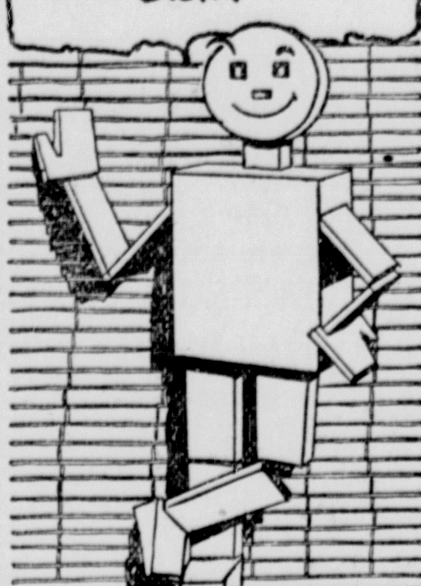

One of the quickest-growing annual vines is the wild cucumber. The gourds also are useful.

## Track Meet

Chicago, May 13.—Wisconsin, Ohio State, Northwestern and Chicago will compete in a four-cornered track and field meet here next Saturday, with the Badgers favored to win and the Buckeyes to take second.

## ICE TONGS AND NO SILVER SCREEN

### HAROLD "RED" GRANGE PREFERS TO STICK WITH ICE WAGON IN SUMMER

Milwaukee, May 13.—Harold "Red" Grange, Illinois University football wonder, although offered fancy prices to pose under the spotlight, has decided he will continue to "track up" floors in Wheaton this summer, preferring his ice tongs to the silver screen.

Grange came to Milwaukee last night to meet several leading producers who are said to be offering him fancy prices for his signature to a contract. He declared that he was not going into any business except the ice business this summer until he had finished his college work at Illinois.

### HORNSBY PICKS GIANTS TO WIN NATIONAL TITLE

New York, May 13.—Rogers Hornsby, star second baseman for the St. Louis Cards and champion hitter of the National league, thinks the New York Giants are going to win the pennant.

Hornsby had a chat with Tom Gibbons, St. Paul heavyweight boxer, who is staying at the same hotel. After telling him he was in fine shape and expected to beat Gene Tunney in their coming bout, Gibbons asked: "How about your club's chance for the pennant?"

"The team that wins the pennant will have to beat the Giants," Hornsby answered.

### Marinelli May Die

New York, May 13.—Hope for the recovery of Benny Marinelli, New York jockey, whose skull was fractured in a spill at the Jamaica track last Friday, has been abandoned, it was announced at the hospital in Jamaica. He has been unconscious since he was removed from the track.

## PERSONAL INJURY SUIT FOR \$30,000

### ADMINISTRATRIX OF ESTATE SWITCHMAN SUES NORTH-WESTERN ROAD

(By United Press)  
Minneapolis, May 13.—Personal injury suit for \$30,000 against the Chicago & Northwestern railroad has been filed by Ida A. Eichman, Oshkosh, Wis., administratrix of the estate of Walter Eichman, with the clerk of the Hennepin county district court. The complaint sets forth that Eichman while employed as switchman for the company was thrown beneath the cars and almost instantly killed.

## MAIL AVIATOR IS NEAR DEATH

### PLANE CRASHED DOWN IN A FOG NEAR SHELTON, NEB.

(By United Press)  
Omaha, Neb., May 13.—C. C. Lang, air-mail pilot, who left Omaha shortly after midnight with transcontinental night air mail, crashed at Shelton, Neb., 24 miles from Grand Island early today in a fog and narrowly escaped death, according to information received at headquarters here. Lang was badly burned, bruised and the plane is a total loss from fire. A relief plane has been sent from here to pick up the 400 pounds of mail which Lang succeeded in rescuing from the burning plane.

## DRUG STORES MUST CHOOSE BETWEEN SODAS AND ALCOHOL

Madison, May 13.—Drugstores dispensing sodas and soft drinks cannot sell liquor and can have no alcohol on the premises, the Wisconsin supreme court held today in the case of Luther B. Davis, Oshkosh, against the state.

All places where soft drinks are sold must have a state license, the high court held. Under the present law, premises licensed to dispense soft drinks can sell no liquor.

Lively's Ford repair department use only genuine Ford parts, sold at Ford prices.

## AMUSEMENTS

# BANK OFFICIAL INDICTED 4 CHARGES

2 Against Henry E. Kundert, Cashier  
Brainerd State Bank, Charge  
Grand Larceny

2 CHARGE FORGERY 3RD DEGREE

Grand Jury, in Its Report, Censures  
Other Officers of Bank, Charging  
Gross Negligence

The grand jury, which deliberated about two days, came into district court at 5:30 o'clock Tuesday evening, and informed the court that it had completed its labors, and was discharged from further service. Edward Crust was foreman of this jury.

Four indictments were made against Henry E. Kundert, cashier of the Brainerd State Bank, two charging grand larceny in the first degree, and two charging forgery in the third degree.

One of the indictments charging grand larceny in the first degree alleges that Mr. Kundert, acting as agent for E. Beste, had in his possession as such agent, \$1,400, the property of Mr. Beste, appropriating it unlawfully to his own use.

The other indictment charging grand larceny in the first degree alleges that Mr. Kundert, as cashier of the Brainerd State Bank, had in his possession \$700, the property of the bank, and appropriated it unlawfully to his own use.

One indictment charging forgery in the third degree alleges that Mr. Kundert sold to Sophia L. Arnold a real estate mortgage owned by the Brainerd State Bank, given by Peter Novotny and his wife, amounting to \$500, and that Mr. Kundert omitted to make a true entry in the accounts and books of the bank to show the sale of the said mortgage, with intent to defraud and conceal the misappropriation by him of the \$500.

The second indictment charging forgery in the third degree alleges that Mr. Kundert sold to Sophia L. Arnold a real estate mortgage given by John O. Huseby and wife to the Brainerd State Bank, amounting to \$400, and omitted to make a true entry in the accounts and books of the bank and with intent to defraud and to conceal the misappropriation by him of the \$400.

Mr. Kundert was before the court on these charges and was released on \$10,000 bonds, to appear and plead to the indictment, within the time allowed in such cases.

## Other Indictments Returned

The grand jury brought in two indictments against Joe Messies, residing on the range, charged with bribery. In the first he is charged with attempting to bribe the sheriff, offering him \$50 to recommend to the court a light punishment in a case in which Messies was charged with manufacturing liquor.

In the second case, Messies is charged with attempting to bribe the county attorney, offering him \$50 to recommend to the court a light punishment in a case in which Messies was charged with manufacturing liquor.

An indictment was brought in against Levi Frink and Etta Frink, of Perry Lake township, charging the manufacture of intoxicating liquor.

Charles Gunton, of Brainerd, was indicted by the grand jury, being charged with assault in the second degree, in that he assaulted an officer, while in custody, throwing him from his automobile and attempting to escape thereby.

## Grand Jury Report

The report of the grand jury, as filed with the court, is as follows:

State of Minnesota, County of Crow Wing, ss.

In District Court, Fifteenth Judicial District.

WHEREAS, in our review of the matters with regard to the insolvency of the Brainerd State Bank of Brainerd, Minnesota, we have found nothing which reflects upon the honesty and integrity of Carl Zapffe, O. A. Scott, and A. A. Arnold, Directors, we have, however, found evidence of gross negligence and carelessness upon the part of said directors in their direction of the affairs of said bank.

THEREFORE, BE IT RESOLVED that we hereby direct a vote and expression of severe criticism and censure upon the aforesaid directors for such negligence and carelessness, and BE IT RESOLVED that this Grand Jury commend Mr. W. F. Wieland for his consideration in presenting all material to us completely, briefly and considerately.

Dated May 12th, 1925.

EDWARD CRUST,  
Foreman.  
D. A. BLAKENEY,  
Clerk.

**Alexander-Wettrow**  
Leonard Alexander and Miss Mabel Wettrow were united in marriage at 11 o'clock Tuesday morning at the parsonage of the Presbyterian church, Rev. A. G. Patterson performing the pleasing ceremony. Clarence Alexander, brother of the groom, acted as best man, and Miss Vera Chrysler as bridesmaid. Only close relatives were in attendance.

An elaborate 4-course wedding dinner was served at the home of the groom's parents, Mr. and Mrs. J. C. Alexander, Rosewood street. The home was beautifully decorated in pink and white, with roses on the tables.

The bride was attired in tan crepe and carried a shower bouquet. The bridesmaid wore a gown of powder blue crepe and carried roses. The newlyweds left on the afternoon train for Hibbing, for their honeymoon, and will be at home at 1223 Quince street after June 1st.

The groom is employed in the store department at the local Northern Pacific shops, and is a young man of excellent qualities. The bride is also well and favorably known in the city and has been employed as assistant in Dr. M. H. Carlson's dental offices.

## CHRIS ELVIG IS NAMED ALDERMAN

Elected at Special Meeting of Council to Succeed Former Alderman Cain

TWO CANDIDATES FOR PLACE

Dr. Ralph Hallquist is Re-elected City Dairy Inspector

Chris Elvig was selected as alderman of the Third ward, to succeed Alderman Cain, (recently elected Mayor of the city of Brainerd) at a special meeting of the city council held on Tuesday evening.

**CHRIS ELVIG**  
New Alderman from Third Ward

A petition, signed by 95 voters of the Third ward, and asking that Mr. Elvig be chosen, was presented to the council.

At a caucus held in the Third ward recently, the names of Albert O. Anderson and William Daugherty were considered as candidates for the office of alderman from that ward. When these names were put to a vote, Mr. Anderson received the majority, and was endorsed by the caucus, as the candidate from the Third ward. The report of this caucus with its endorsement, was also presented to the city council.

On motion of Aldermen Quannstrom and Martin Anderson, an informal ballot was taken, in which Mr. Elvig received 5 votes, and Albert O. Anderson received 4 votes. In the formal ballot which was then taken, the result was the same, and Mr. Elvig was declared elected. He immediately qualified and took his seat on the council.

The appointment of city dairy inspector was the next order of business, and on motion the applications of Dr. Ralph Hallquist, present incumbent and Dr. C. A. Nelson were presented. On an informal ballot Dr. Hallquist received 7 votes and Dr. Nelson 3 votes. On the formal ballot Dr. Hallquist received 6 votes

**Ask for Horlick's**  
THE ORIGINAL  
Malted Milk  
**Safe Milk**  
For Infants, Invalids, The Aged  
Nourishing—Digestible—No Cooking.  
Avoid Imitations—Substitutes

and Dr. Nelson 4. Dr. Hallquist was declared appointed city dairy inspector for the coming term.

On motion a formal ballot was taken on the applications of L. E. Cameron, present incumbent, and J. W. Witham for the position of janitor. The result of this ballot was five votes each. Mayor Cain was called upon to cast the deciding vote, which he did in favor of Mr. Cameron.

The application of Frank Engel for permission to operate a gasoline curb pump was received, and on motion the request was granted. This pump is to be operated at 1123 East Oak street.

**Band Concerts at Lum Park**  
Carl J. Wright appeared before the council as president of the Brainerd park board, and asked to have the municipal band play at Lum park on July 4th and also that the band concerts during the summer be given more often at Lum park than at Gregory park.

A motion was made that two concerts be given at Lum park to one at Gregory during the coming season, and this was amended that the concerts be alternated, one at Lum and one at Gregory park during the summer, each to receive the same number of concerts, and that the band play at Lum park on July 4th. This motion was assented carried.

The appointment of Roy N. Zierke as temporary chief of police was on motion of Aldermen Ritari and Paine confirmed.

**Street Lighting System**  
Carl Zapffe, of the Water and Light Board, asked the council to go into executive session with the board, to consider the matters relative to the proposed changes in the street lighting system, but on motion of Aldermen Wesley and Martin Anderson, the bids on the new street lights were considered in the open meeting of the council.

On motion carried, Mr. Zapffe was requested to give the bids received by the board on the street lights, with the board's recommendations. Mr. Zapffe recommended that all material, including light posts, lanterns and cut-outs, be purchased from the John Andrae & Co., of Chicago, and that all cable be secured from the Northwestern Electrical Equipment Co., of Minneapolis.

A motion was made by Wesley and Ritari to reject all bids and to advertise again for new bids. This motion lost. A motion was made by Ritari and Martin Anderson to reject the recommendation of the Board, which motion was withdrawn.

## Contracts Awarded

Alderman Ritari presented a resolution, seconded by Alderman R. H. Paine, to give the John Andrae & Co., the contract for the light posts, lanterns and cut-outs, and the Northwestern Electrical Equipment Co., the contract for the cable. Upon roll call this motion carried, and the certified checks of the other companies bidding were ordered returned to them. On motion the bill of L. P. Wolff, as consulting engineer, was allowed.

The bid of the Andrae company, which the board recommended and which was accepted, was as follows: 127 Class A light posts, \$4,749.80; 75 Class B light posts, \$4,072.80; 127 lanterns, \$2,825.75; 75 lanterns, \$1,068.65; 88 lanterns, \$2024; 290 cut-outs, \$87; 21 relay sets, \$696.15.

The bid of the Northwestern Electrical Equipment Co., on cable was: 56,637 feet of cable, \$88 per thousand feet.

The bid of the Andrae company was \$14,533.95 without cable, and \$19,846.75 if cable were included.

## POPPY DAYS TO BE MAY 15-16

Days in Brainerd Directly Under  
Supervision of Local American  
Legion Auxiliary

POPPIES MADE BY SOLDIERS

Disabled Veterans in Minnesota Hospitals Made Over Million Flowers This Year

The annual Poppy Day, or rather days, will be observed in Brainerd on this coming Friday and Saturday, May 15th and 16th, and will be directly under the supervision of the American Legion Auxiliary.

The poppies that are to be sold on these days were made by disabled veterans in Minnesota hospitals. These veterans in the Auxiliary poppy room have already made over one million of the flowers this year. Imagine the cheer and comfort, the better morale, as well as the needed money earned by these veterans. One of these men has only two fingers on one hand. He has invented a wooden form on which he fashions his poppies. Another who has his left hand and only a stub for his right, hold the poppy against his knee and with the left hand puts on the American Legion sticker.

The message carried by the American Legion poppy is a two-fold one, and is as follows:

Buy me: I stand for service. I enabled a disheartened service man in the hospital who needed money to earn one cent, and all that you pay for me goes 100 per cent to service for those for whom the fight is not yet over. Buy Me.

Wear me: I represent the sacrificial blood of men who fell in Flanders fields. I am a memorial to all who died in service. In reverence and understanding, wear me.

The poppy is now the memorial flower of the American, French, British, and Canadian World War veterans' organization. The American Legion and its auxiliary do not claim the sole right to the flower, since it is God's and cannot be copyrighted.

The poppies will be offered for sale on Friday and Saturday, and the Auxiliary expresses the hope that they will find ready purchasers. The funds realized will be used for veterans' welfare work, a most worthy cause.

Other Officers of Bank, Charging  
Gross Negligence

The grand jury, which deliberated about two days, came into district court at 5:30 o'clock Tuesday evening, and informed the court that it had completed its labors, and was discharged from further service. Edward Crust was foreman of this jury.

Four indictments were made against Henry E. Kundert, cashier of the Brainerd State Bank, two charging grand larceny in the first degree, and two charging forgery in the third degree.

One of the indictments charging grand larceny in the first degree alleges that Mr. Kundert, acting as agent for E. Beste, had in his possession as such agent, \$1,400, the property of Mr. Beste, appropriating it unlawfully to his own use.

The other indictment charging grand larceny in the first degree alleges that Mr. Kundert, as cashier of the Brainerd State Bank, had in his possession \$700, the property of the bank, and appropriated it unlawfully, to his own use.

One indictment charging forgery in the third degree alleges that Mr. Kundert sold to Sophia L. Arnold a real estate mortgage owned by the Brainerd State Bank, given by Peter Novotny and his wife, amounting to \$500, and that Mr. Kundert omitted to make a true entry in the accounts and books of the bank to show the sale of the said mortgage, with intent to defraud and conceal the misappropriation by him of the \$500.

The second indictment charging forgery in the third degree alleges that Mr. Kundert sold to Sophia L. Arnold a real estate mortgage given by John O. Huseby and wife to the Brainerd State Bank, amounting to \$400, and omitted to make a true entry in the accounts and books of the bank and with intent to defraud and to conceal the misappropriation by him of the \$400.

Mr. Kundert was before the court on these charges and was released on \$10,000 bonds, to appear and plead to the indictment, within the time allowed in such cases.

## Other Indictments Returned

The grand jury brought in two indictments against Joe Messies, residing on the range, charged with bribery. In the first he is charged with attempting to bribe the sheriff, offering him \$50 to recommend to the court a light punishment in a case in which Messies was charged with manufacturing liquor.

In the second case, Messies is charged with attempting to bribe the county attorney, offering him \$50 to recommend to the court a light punishment in a case in which Messies was charged with manufacturing liquor.

An indictment was brought in against Levi Frink and Etta Frink, of Perry Lake township, charging the manufacture of intoxicating liquor.

Charles Gunion, of Brainerd, was indicted by the grand jury, being charged with assault in the second degree, in that he assaulted an officer, while in custody, throwing him from his automobile and attempting to escape thereby.

## Grand Jury Report

The report of the grand jury, as filed with the court, is as follows:

State of Minnesota, County of Crow Wing, ss.

In District Court, Fifteenth Judicial District.

WHEREAS, in our review of the matters with regard to the insolvency of the Brainerd State Bank of Brainerd, Minnesota, we have found nothing which reflects upon the honesty and integrity of Carl Zapffe, O. A. Scott, and A. A. Arnold, Directors, we have, however, found evidence of gross negligence and carelessness upon the part of said directors in their direction of the affairs of said bank.

THEREFORE, BE IT RESOLVED that we hereby direct a vote and expression of severe criticism and censure upon the aforesaid directors for such negligence and carelessness, and BE IT RESOLVED that this Grand Jury commend Mr. W. F. Wickham for his consideration in presenting all material to us completely, briefly and considerately.

Dated May 12th, 1925.

EDWARD CRUST,

Foreman.

D. A. BLAKENEY,

Clerk.

**Alexander-Wettrow**  
Leonard Alexander and Miss Mabel Wettrow were united in marriage at 11 o'clock Tuesday morning at the parsonage of the Presbyterian church, Rev. A. G. Patterson performing the pleasing ceremony. Clarence Alexander, brother of the groom, acted as best man, and Miss Vera Chrysler as bridesmaid. Only close relatives were in attendance.

An elaborate 4-course wedding dinner was served at the home of the groom's parents, Mr. and Mrs. J. C. Alexander, Rosewood street. The home was beautifully decorated in pink and white, with roses on the tables.

The bride was attired in tan crepe and carried a shower bouquet. The bridesmaid wore a gown of powder blue crepe and carried roses.

The newlyweds' left on the afternoon train for Hibbing, for their honeymoon, and will be at home at 1223 Quince street after June 1st.

The groom is employed in the store department at the local Northern Pacific shops, and is a young man of excellent qualities. The bride is also well and favorably known in the city and has been employed as assistant in Dr. M. H. Carlson's dental offices.

## CHRIS ELVIG IS NAMED ALDERMAN

Elected at Special Meeting of Council to Succeed Former Alderman Cain

TWO CANDIDATES FOR PLACE

Dr. Ralph Hallquist is Re-elected City Dairy Inspector

Chris Elvig was selected as alderman of the Third ward, to succeed Alderman Cain, (recently elected Mayor of the city of Brainerd) at a special meeting of the city council held on Tuesday evening.

CHRIS ELVIG  
New Alderman from Third Ward

A petition, signed by 95 voters of the Third ward, and asking that Mr. Elvig be chosen, was presented to the council.

At a caucus held in the Third ward recently, the names of Albert O. Anderson and William Daugherty were considered as candidates for the office of alderman from that ward. When these names were put to a vote, Mr. Anderson received the majority, and was endorsed by the caucus, as the candidate from the Third ward. The report of this caucus with its endorsement, was also presented to the city council.

On motion of Aldermen Quamstrom and Martin Anderson, an informal ballot was taken, in which Mr. Elvig received 5 votes, and Albert O. Anderson received 4 votes. In the formal ballot which was then taken, the result was the same, and Mr. Elvig was declared elected. He immediately qualified and took his seat on the council.

The appointment of city dairy inspector was the next order of business, and on motion the applications of Dr. Ralph Hallquist, present incumbent and Dr. C. A. Nelson were presented. On an informal ballot Dr. Hallquist received 7 votes and Dr. Nelson 3 votes. On the formal ballot Dr. Hallquist received 6 votes

and Dr. Nelson 4. Dr. Hallquist was declared appointed city dairy inspector for the coming term.

On motion a formal ballot was taken on the applications of L. E. Cameron, present incumbent, and J. W. Witham for the position of janitor. The result of this ballot was five votes each. Mayor Cain was called upon to cast the deciding vote, which he did in favor of Mr. Cameron.

The application of Frank Engel for permission to operate a gasoline curb pump was received, and on motion the request was granted. This pump is to be operated at 1123 East Oak street.

## Band Concerts at Lum Park

Carl J. Wright appeared before the council as president of the Brainerd park board, and asked to have the municipal band play at Lum park on July 4th and also that the band concerts during the summer be given more often at Lum park than at Gregory park.

A motion was made that two concerts be given at Lum park to one at Gregory during the coming season, and this was amended that the concerts be alternated, one at Lum and one at Gregory park during the summer, each to receive the same number of concerts, and that the band play at Lum park on July 4th. This motion was amended carried.

The appointment of Roy N. Zierke as temporary chief of police was on motion of Aldermen Ritari and Paine confirmed.

## Street Lighting System

Carl Zapffe, of the Water and Light Board, asked the council to go into executive session with the board, to consider the matters relative to the proposed changes in the street lighting system, but on motion of Aldermen Wesley and Martin Anderson, the bids on the new street lights were considered in the open meeting of the council.

On motion carried, Mr. Zapffe was requested to give the bids received by the board on the street lights, with the board's recommendations. Mr. Zapffe recommended that all material, including light posts, lanterns and cut-outs, be purchased from the John Andrae & Co., of Chicago, and that all cable be secured from the Northwestern Electrical Equipment Co., of Minneapolis.

A motion was made by Wesley and Ritari to reject all bids and to advertise again for new bids. This motion lost. A motion was made by Ritari and Martin Anderson to reject the recommendation of the Board, which motion was withdrawn.

## Contracts Awarded

Alderman Ritari presented a resolution, seconded by Alderman R. H. Paine, to give the John Andrae & Co., the contract for the light posts, lanterns and cut-outs, and the Northwestern Electrical Equipment Co. the contract for the cable. Upon roll call this motion carried, and the certified checks of the other companies bidding were ordered returned to them. On motion the bill of L. P. Wolff, as consulting engineer, was allowed.

The bid of the Andrae company, which the board recommended and which was accepted, was as follows: 127 Class A light posts, \$4,749.80; 75 Class B light posts, \$4,072.80; 127 lanterns, \$2,825.75; 75 lanterns, \$1,068.65; 88 lanterns, \$2,024; 290 cut-outs, \$87; 21 relay sets, \$696.15.

The bid of the Northwestern Electrical Equipment Co., on cable was: 56,637 feet of cable, \$88 per thousand feet.

The bid of the Andrae company was \$14,533.95 without cable, and \$19,846.75 if cable were included.

## POPPY DAYS TO BE MAY 15-16

Days in Brainerd Directly Under  
Supervision of Local American  
Legion Auxiliary

## POPPIES MADE BY SOLDIERS

Disabled Veterans in Minnesota Hospitals Made Over Million Flowers This Year

The annual Poppy Day, or rather days, will be observed in Brainerd on this coming Friday and Saturday, May 15th and 16th, and will be directly under the supervision of the American Legion Auxiliary.

The poppies that are to be sold on these days were made by disabled veterans in Minnesota hospitals. These veterans in the Auxiliary poppy room have already made over one million of the flowers this year. Imagine the cheer and comfort, the better morale, as well as the needed money earned by these veterans. One of these men has only two fingers on one hand. He has invented a wooden form on which he fashions his poppies. Another who has his left hand and only a stub for his right, hold the poppy against his knee and with the left hand puts on the American Legion sticker.

The message carried by the American Legion poppy is a two-fold one, and is as follows:

Buy me: I stand for service. I enabled a disheartened service man in the hospital who needed money to earn one cent, and all that you pay for me goes 100 per cent to service for those for whom the fight is not yet over. Buy Me.

Wear me: I represent the sacrificial blood of men who fell in Flanders fields. I am a memorial to all who died in service. In reverence and understanding, wear me.

The poppy is now the memorial flower of the American, French, British, and Canadian World War veterans' organization. The American Legion and its auxiliary do not claim the sole right to the flower, since it is God's and cannot be copyrighted.

The poppies will be offered for sale on Friday and Saturday, and the Auxiliary expresses the hope that they will find ready purchasers. The funds realized will be used for veterans' welfare work, a most worthy cause.

## Bethlehem Church Food Sale

The ladies of the Bethlehem Lutheran church will hold a food sale this coming Saturday afternoon, May 16, at the O. D. Larson store. Brainerd housewives will be given an opportunity to fill their Sunday needs at this sale.

Lively's expert repair men are at your service day and night. Phone 76. 98tr

## NOTICE

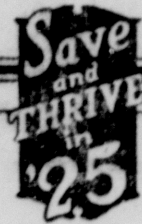

Owners of lots in Evergreen Cemetery, if possible, should attend to the payment for care of lots before Decoration Day to G. W. Chadbourne, or caretaker at cemetery.

The Association also wishes to call to attention that automobiles are strictly prohibited from entering the cemetery, except on funeral occasions.

G. W. CHADBOURNE,

Secretary.

By E. P. SLIPP, President. 296tr

## Make Your Bank Account More Than a Convenience

Your bank account should be more than a convenience. It should help to establish your business reputation and your credit rating.

To do this, a good balance must be kept in your account at all times. Not a huge balance necessarily, but one large enough to show that you are conservative, thrifty, and a good manager.

Keep up your balance and increase the usefulness of your bank account.

## THEY DO COME BACK—SOMETIMES

By HENRY L. FARRELL  
(United Press Sports Editor)

New York, May 13.—With very few young ball players on the field sensational enough to command attention, the performance of two veteran players was the big feature of the early season in the major leagues.

There have been comebacks before in baseball and other professional sports, but it is improbable that there ever was as much romance as there is in the fight of George Burns and Jack Scott to keep a job on which they are entirely dependent. Their experiences go to prove that necessity is the greatest whip in the world.

Three years ago Jack Scott, a huge, easy-going pitcher, was traded by Boston to the Cincinnati Reds. He considered the transfer to be a good break, but it was followed very quickly by one that was unmistakably bad. The tobacco and cotton crop on Scott's little North Carolina place failed and the barn burned down, with all the livestock he owned.

He found some satisfaction in the thought that he had a job with a good ball club, but he found himself out of work just as soon as he reported to the Reds. His arm went back on him and when it failed to respond to treatment, he was released unconditionally.

In the hope of landing a job he came to New York and found that the Giants had left town on a western trip. Perhaps he didn't look at the schedule. He remained for weeks around the Polo Grounds, where the Yankees were playing and Miller Huggins permitted him to work out with the team. Doc Woods, the Yankee trainer, treated him just like a regular member of the team and worked on his arm every day. Just before the Yankees left and the Giants returned home, Scott found that he could put something on the ball.

He went to John McGraw and asked for a chance. He told him that he was broke to his last dime, that he was desperate and his family in need. You can say what you will about McGraw, but he never turned down a man that asked for his help. McGraw told him to get into a uniform and he would put him on a salary. There weren't enough white uniforms in the club house that the teams wear at home and he had to put his ponderous body into a gray road uniform. He worked out every morning with Frank Snyder, the first-string Giant catcher, and Snyder finally reported to his boss—"Mac, that big fellow's got something. Maybe he can help us." The Giants were then in desperate need of pitching. Came a game when the best ready for work had been shelled from the box and McGraw chased Scott to the club house to change uniforms. He had to take a white uniform off one of the other players to give the big fellow the prescribed rigging.

## ORIOLES DEFEAT CUBS BY SCORE OF 9 TO 3

The Northeast Orioles won their second game of the season when they defeated the Northside Cubs, 9 to 3, in a seven-inning game at the Main Street grounds Saturday afternoon. Guin was the leading pitcher for the Orioles, and H. Olson for the Cubs. Guin connected with a single, a double and a triple in four trips to the plate, while H. Olson had three singles to his credit.

Graff was robbed of a single in the seventh when A. Olson made a one-handed catch of his line drive into left field.

Elling duplicated this grandstand play when the Orioles took the field in the last half of the seventh, by pulling down M. Schubert's high fly with one hand.

H. Hanson, the Orioles' left-handed pitcher, relieved Guin of the pitching duties in the fourth inning. His work was excellent. He allowed but three safe hits and no runs in the four innings he pitched.

The line-up was as follows:  
**Orioles**  
H. Graff—Catcher.  
G. Hanson—Right field.  
G. Elling, capt.—Left field.  
C. Guin—Pitcher and second base.  
D. Rosina—Short stop.  
H. Johnson—First base.  
D. Norquist—Center field.  
H. Hanson—2nd base and pitcher.  
F. Montgomery—Third base.

**Cubs**  
H. Olson, capt.—Pitcher.  
M. Schubert—Catcher.  
E. Fuller—First base.  
O. Larson—Third base.  
C. Schubert—Short stop.  
T. Brown—Second base.  
R. Larson—Right field.  
A. Olson—Left field.  
F. Kimbell—Center field.

Score by innings:  
Orioles.....011 160 0-9  
Cubs.....111 000 0-3

Guin struck out 5, Hanson 2, and Olson 4.

The umpires were Jack Brown and Bill Clayball.

## SEALS DEFEAT

### A. O. U. W. LAST NIGHT, 9 TO 8

#### SECOND GAME OF THE CITY LEAGUE SCHEDULE PLAYED

#### HITTING OF HANSON, FIRST BASE OF SEALS, IS SPEC-TACULAR

The Seals defeated the A. O. U. W. last night, 9-8. This was the second game of the city league schedule. The game was not as interesting as the night before, but a number of bright spots lighted up the contest. The hitting of Hanson, first base for the Seals, was almost spectacular. He connected with one of Zierke's groove balls for a mighty clout over the right field fence for a home run. Twice more he drove the ball over the fence, foul by a few feet.

Van Walk went the route for the Seals, and pitched a good game. He allowed eight hits, and struck out eight. Zierke started for the Workmen, but his lack of practice was evident in his inability to find the plate, and he gave way to Whitlock in the fourth, with the score 5-0 in favor of the Seals. Whitlock pitched nicely in the last four innings, giving five hits, and whiffing seven.

In the write-up of yesterday's game, credit for a single and double was given J. Thompson of the B. A. C. This should have read two doubles, both his hits being nice drives for two bases down the left field line.

No game is scheduled for tonight. Tomorrow the league leaders, the Seals and Y. M. C. A. meet, with top place at stake. The game will start at 5:30 P. M. as scheduled.

#### The Box Score

Team	AB	R	H	PO	A	E
Seals	35	9	11	21	12	3
Workmen	35	8	11	21	12	3

Cruson, 2b.	3	1	1	2	1
McVoss, c. rf.	3	1	1	2	1
Zierke, p. lf.	3	1	1	2	1
Totals	31	8	21	7	2

**Summary**  
Two base hits—Hayes, Imgrund, Zierke. Home run—Hanson. Struck out—by Van Walk, 8, by Whitlock, 7. Runs—off Zierke, 8 in 3 innings; off Whitlock, 4 in 4 innings. Bases on balls—off Van Walk, 2; off Zierke, 3 in 2 innings; off Whitlock, 1 in 4 innings.

Score by innings:  
Seals.....132 602 1-9  
A. O. U. W.....000 430 1-8

**Standings of Teams**

Team	W.	L.	Pct.
Y. M. C. A.	6	0	1.000
Seals	1	0	1.000
B. A. C.	0	1	.000
A. O. U. W.	0	1	.000

**Notes of the Game**

McAlpine fielded Hanson's home run in the third inning in a way that brought a good hand from the onlookers. As soon as the ball was hit, he turned around, sprinted for the fence, took the fence in a leap without a stop, and relayed the ball to Hanson. It was the prettiest piece of fielding in the game.

The game was put on the proverbial ice in the sixth inning on Lepinski's nice hit to left. With Stallman and Gaskill on the sacks, Lepinski did a Charley See stunt, and delivered in the pinch. His hit which fell out of reach of Zierke in left field, scored two runners, and paved the way for the victory.

Zierke did a nose dive in trying to beat out an infield hit in the fourth.

Emil Meifer is the official score-keeper, and the results of the games will make interesting study as the weeks go on. Besides the batting averages, the fielding records are being kept, and the tabulation will appear in the Dispatch from time to time.

## NURMI WILL SEEK NEW MILE RECORD

Boston, May 13.—Paavo Nurmi, world's champion runner, will make an attempt at a new mile record in the Harvard stadium, if he feels well enough to make the effort. Harvard athletic officials have been notified. Nurmi will set the date for the event. Harvard officials will open the big stadium to the public free of charge.

Lively's stock of Ford parts is complete in every detail. Open day and night.
